**Terms/Conditions:** Orders should be placed 14 days prior to pickup days. No guarantees will be made for late additions. ASE is not responsible for substitutions made by the hatchery, orders are “as is” the day of delivery. Chicks must be picked up on the day of delivery. ASE is not responsible for chicks left over night. Once chicks are picked up, ASE is not responsible for losses.

- Chicks are 1 day old when we receive them.
- The minimum order is 6 chicks; you can order less but it is double the price/bird.

**SERVICES:** Beak trimming (15 cents per bird). 4-H/FFA paperwork available upon request.

*We will fill your order to the best of our ability. We appreciate your understanding that we are working with live animals, and that there are sometimes issues that arise with hatching and shipping.*

***We are not responsible for mistakes in sexing.***
